PART-V : EVALUATION CRITERIA & PRICE BID ISSUES

1. **Evaluation Criteria.** The broad guidelines for evaluation of bids will be as follows:-

1.1. Only those bids will be evaluated which are found to be fulfilling all the eligibility and qualifying requirements of the RFP, both technically and commercially.

1.2. In respect of Two-bid system, the Technical Bids forwarded by the Bidders will be evaluated by the Buyer with reference to the technical characteristics of the equipment as mentioned in the RFP. The compliance of technical bids would be determined on the basis of the parameters specified in the RFP. The price bids of only those bidders will be opened whose technical bids would clear the technical evaluation.

1.3. As it is a Turnkey Project, the lowest bid will be decided upon the lowest price quoted by the particular bidder as per the Price format given at the Para 3 below.

1.4. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price will prevail and the total price will be corrected, if there is a discrepancy between words and figures, the amount in words will prevail for calculation of price.

1.5. The lowest acceptable bid will be considered for placement of contract supply order after complete clarification and price negotiation as decided by the Buyer.

2. **Turnkey Project.** The project will be treated as a Turnkey Project and no piecemeal orders for individual items will be placed. The vendor is expected to provide all accessories required for the project to make the project functional and useable without any additional cost to the user.

3. **Price Bid Format.** The Price Bid Format is given below and bidders are required to fill this up correctly with full details :-
